PMS SERVICE

As a manufacturer, we also produce all plastic writing instruments in the colour of your choice. Tell us the PANTONE® number of your desired colour and we will produce the pen or just a specific part in your **very own personal shade.**

This is possible from a **quantity of 10,000 pieces.**

For approval we will send you a sample plate made in the desired colour.

Special logo colours that deviate from the standard are just as easy to reproduce as colours for seasonal advertising campaigns. Be creative!
