# SENATOR SAMPLE SERVICE

## A picture says a lot - a sample says it all:

Our sample service brings your project to life from the start. With real products in hand, you make smart choices about feel, quality, colour, and finish. Whether neutral or customised - we're with you from the first idea to the final order.

## Touch, see, decide - in no time:

- A tactile experience, not just visuals
- Fast delivery: 2-5 working days
- Personalised to suit your target audience
- Precise material and colour selection
- Reliable decision-making support for you and your clients

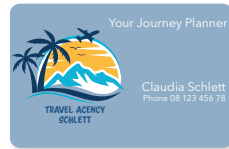

# HOW IT WORKS

## 1. Send your request

Let us know your requirements or preferences, and our team will get started right away.

Product variant, colour, or budget - your specifications are the foundation for a tailored sample.

## 2. Receive a neutral sample

Within just 2 working days, we will send a neutral sample that exactly matches your specifications.

This allows you to experience the quality, function and feel - with no obligation and no delay.

## 3. Printed sample for large-scale projects

For larger orders, we'll provide a printed sample with your chosen design in our standard colours within 5 working days.

See your product with your own branding - realistic, illustrative, and impactful.

## The senator® sample service:

- fast
- personal
- stress-free

**Almost like  
taking time off!**
