POINT METAL

- The classic retractable ball pens made of plastic with a polished opaque barrel surface, metal fittings and a plastic decorative dot in the push-button matching the barrel colour.
- Use of ABS plastic exclusively from German suppliers.
- Complete value chain at the site in Germany: planning - production - dispatch.
- Equipped with a senator® G2 refill, boasting a writing length of 5,000 m and produced using German raw materials in our own facility. Refills can be reordered free of charge.
